

Don't stop the music

Don't stop the music

Don't stop the music

Music... Don't stop, don't stop, don't stop the music

Music... Don't stop the music tonight!

Let's go to the rhythm

Let's go to the power

Keep on movin', start the motion

Jumping with emotion

Crazy locomotion

Move and dance and take my feeling

Jump and go

The power of the night

The music and the lights

With the best emotion!

Lost into your eyes

Without control, my love inside

Don't stop the music

The rhythm groove all night

Play the song don't be shy

Make your feeling high, all the night

Don't stop the music tonight

Don't stop the music

To dance is like a fight

You can show your emotion

Your secret side, all the night
Don't stop the music tonight

Dancing with obsession
Show me your reaction
Let's go! grooving all the night
Move on crazy dancer
Music is the answer
All the night
You make me crazy
